Do you need a lawyer?

GEORGIA MORRISSEY, RUMBALARA COMMUNITY LAWYER

Georgia has been practicing law for five years. She works for Goulburn Valley Community Legal Centre.

Georgia offers free legal advice and information to the Rumbalara community.

Georgia works at Rumbalara on Wednesdays, Thursdays and Fridays and at the Goulburn Valley Community Legal Centre on Mondays and Tuesdays.

JASMINE DAY, PARALEGAL AND RECEPTIONIST

Jasmine is Georgia's Rumbalara assistant. She handles Georgia's appointments.

To make an appointment with Georgia, call Jasmine on 5831 0900 Monday and Tuesday or 5820 0000 Wednesday to Friday.

AREAS OF LAW

Georgia can assist you with most legal problems. If she can't help you she will explain the process and help you to find a lawyer who can.

Feel free to make an appointment with Georgia to discuss your issue, even if you are unsure if it is a legal issue.

CONFLICT CHECKS

Lawyers cannot act for clients in conflict with each other. For example, a family violence victim and their attacker. Or a separating husband and wife.

Before Georgia can provide advice, she or Jasmine will undertake a conflict check

To help them conduct a conflict check, Jasmine will ask you some questions about the names of people involved and the type of problems you are having. It is important that you answer Jasmine's questions fully and accurately.
